

CALL FOR PAPERS

2019 INTERNATIONAL CONFERENCE on ANTENNA MEASUREMENTS and APPLICATIONS

- Focus on Systems -
(2019 IEEE CAMA)

Bintang Bali Resort, Kuta, Bali, Indonesia, October 23-25, 2019

Sponsor: IEEE Antennas and Propagation Society (<http://www.ieeeaps.org>)

This conference is organized and hosted by:
Department of Electrical Engineering, Universitas Indonesia
Joint Chapter MTT/AP Indonesia Section

The scope of 2019 IEEE CAMA includes but is not limited to:

- Antenna Measurements in Controlled and Non-Controlled (in-situ) Environments
- Electromagnetic Measurement Methods and Techniques
- Scattering and Diffraction Measurements
- Near-Field and Far-Field Measurements
- Radar and RCS Measurements
- Microwave, Millimeter-Wave and Sub-Millimeter Systems
- Sensors
- Simulations and Prediction of Measurements in Realistic Configurations
- Inverse & Imaging Methods and Techniques
- Applications: Electromagnetic Metrology and Compatibility, Radar, Terrestrial and Space-Based Communications including Wireless Communications, Sensing, Electronic Warfare, UAVs, UAS and Drones, IoT, Non-Destructive Testing & Evaluation, Industry, Medicine and E-Health.

Regular Paper Submission Deadline: 1 June 2019

Special Session Submission Deadline: 1 July 2019

Notification of Acceptance: 15 August 2019
